Tuesday

9:00 AM - 9:30 AM

EFO Annual Meeting -- David will speak at 9:00 AM, Tulsa, OK

prebrief [redacted] dates:

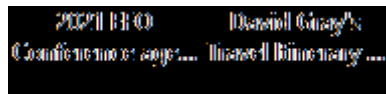

- Wednesday, September 29, 11:30 am – Brownfields Prebrief
- Monday, October 4, 11:30 am – SF Redevelopment/Ready for Reuse

Attached are:

- Talking Points
- EFO Conference Agenda
- Memo – includes a list of potential places to visit in Tulsa (Greenwood District)
- Travel Reservation Itinerary
- Concur Travel Reservation/Receipt,
- Approved TA

Flags on the TPs:

1. We'd talked about possibly including an update on the infrastructure bill with your intro, and the TPs have some optional high-level bullets there. However, there is more than enough material to cover for Brownfields and Redevelopment/RfR alone.
2. In the RfR prebrief, we'd discussed highlighting both 4<sup>th</sup> Street and [redacted] as sites for potential RfR use. Per the program - 4<sup>th</sup> Street is already in reuse, so RfR may not be a useful tool there. Only [redacted] has been added to the TPs.

## Pre-Meeting Materials Review- Tribal Consultation Quapaw

David- A [REDACTED] attached are the Quapaw briefing documents. Craig Kreman, the Nation's Environmental Director, provided this comment for the consultation:

*An important topic of the Nation's includes, the capacity of the Nation to take on various Environmental Programs or at the least partnering with the State of Oklahoma on these Environmental Programs. As EPA may know, we have partnered with the State of Oklahoma and the Department of Environmental Quality Land Protection on Superfund Remedial Action Activities since 2014 and respect the relationship we have with that Division of DEQ in cleaning up Tar Creek. This relationship has allowed the Nation to build great capacity in taking on remedial activities both from a Grants/Cooperative Agreement and Implementation standpoint and we see this relationship being fostered within other Environmental Programs over time.*

OCSPP's Special Emphasis Program for People with Disabilities (PWD) warmly welcomes you to various Brown Bag discussions in celebration of Disability Employment Awareness Month.

Some disabilities or health needs are not necessarily visible or "obvious." This year, we will spotlight on mental health disorders, deafness, and aging & changing health needs. What are some of the misconceptions and stigmas behind mental health disorders? What is it like to navigate in the workplace as an employee with a disability (specifically deafness)—and how does that differ when they become a supervisor? What kind of health changes or adjustments do employees go through as they get older in the workplace?

Come listen to the stories of your fellow EPA coworkers and learn about the everyday challenges they face, including what they went through in this pandemic, and how they overcome these challenges. Under many difficult situations, people with disabilities/ health needs often demonstrate an advantage over people without disabilities/health needs—particularly in creative problem-solving, flexibility, determination, positive attitudes, and "grit." Please join us to hear from our panelists and learn from them.
